Dusty...Definitely - other photos from shoot? (#p126072)

by **Tez** » Tue Jul 09, 2013 8:29 pm

Does anyone know if there are other photos of Dusty from the photo shoot in that fab dress and hair other than used for the LP?

Well, there's the one below and a thread from a while back (link at the bottom), where we discussed the session, which was by photographer Peter Rand. Only two shots in the beaded gown there though.

Could this photo be from the same session? I always assumed it was.

 Have you ever seen a beaded gown shot from the Rand session that shows her full length, feet (high-heels) ?

I haven't - they are always cut off at the hem of her dress like the one above.

Thanks Maggie,

I know there were only a couple, but I had to ask hoping maybe I missed something.
