Recognise the outfit but not this particular picture which I found while 'Googling' - as you do.

Same with you Tim, recognise the outfit. Hadn't seen this exact one before tho.

I like the jacket...do you think it's materially (ok not a word but ohwell works for me!!) or velvety? (my random thought for this moment 🤔)

Speaking as an ex-textile designer..LOL (yes really) I think it's something like printed crepe, as the folds drape quite finely. But the photo doesn't go much bigger so it's anyone's guess!

Yes, that outfit is very '89, I bought a couple of shirts myself that year when 'big' flower print's were in!

I think I still have one in the loft which is just a tad too tight for me now!, it has a black background and is a little similar to Dusty's, when I find it again I'll add a pic to this thread!

I've always loved that jacket 🙄 It was in the auction at Sotheby's but I don't know who got it. I remember it feeling very silky. It's the one she wore to open the housing estate too.

I love her face in that pic - looks like it could have been from the early 70s, hair and outfit not withstanding ;)

And someone has given Dusty a pair of china cats. Wonder if she liked those 😊
