Hi all! We have a new calender for the new year. After many hours of work it is finally done! There are many piccies complete with a separate page for dates on every month.

I have one page which you can preview here if you are interested 😊

Printing will commence very soon.

Prices will be also posted shortly.

Love, Laura xx

Aw thanks! 😊 That means a lot!

Just to let people know that the lil water marks in some of the piccies **will not** appear on the printed copies. It is just some message thing that I scrubbed out for the preview. In fact the printed versions will look 10 times better. 🙄
