This picture was part of the caption contest on this year's Dusty Day. Simon Bell won a Dusty portrait (painted by Colin? I don't remember) - which was fab, btw - with this caption:

"Now, where did I put my tea cosy?"

A few lines up, my entry into the competition was: "With my beehive as a tea cosy, my tea never gets cold!"

Hrm... But well, the man just hit the nail on the head, as they say. 😊

Sorry Corinna, but I guess I'm the only one that can correct you!!

To be precise, Simon's winning entry was "Now, where did I put that tea cosy".

....and your entry?.... "With my wig as a tea cosy, my tea never gets cold!"

Some other good entries were....

"(Dus)Tea, anyone?" 🤪

Dusty (under her breath) "I'll soon make short work of this coffee set!" 😬.... and.....

"I'd rather have Breakfast in Bed!" 😊

....sorry, but some of the others are a bit hard to read!!

"psst..hey...hey...Dusty, psst..over hear...come on,lets get outta here." 😊

One of my favorite 'Twilight Zone' episodes...Marcia is trapped in a dept. store after hrs & is freaking out because she can't get out..the elevator takes her to the non-existing 13th fl where all the mannequins are stored..they come alive & start calling her name...'Marcia..Marcia. It turns out that she IS a mannequin..they all get one turn to be human for one day & then return..of course Marcia did not want this. THE END 🤖
