I've seen them and they are great. I emailed Simon and said how much I enjoyed them and he emailed right back in only a few moments to say thanks for my email (not a standard response either as he responded to something in my email to him). According to my maths, its only about 7:30 in the morning there so he is up early working! I hope I get to meet him next Dusty Day.

Simon always performs at Dusty Day, so I'm sure you will get to meet him.

Goin Back took some video, and hopefully it came out good and she'll link us to it soon.

Madeline Bell was tops, although I have no recording of her as my lil digi cammy is limited in not having sound, so no point. If anyone has the fab woman performing shes definately gonna be on me ipod :)

Yes Madeline Bell kicked some serious ass up there, she rocked! She did Dusty very proud
