I'll be bringing 50 of each design to London next week. 🙏

LTDers will get a free LTD badge as a gift from moi.

Additional badges may be purchased from me prior to DD. I just want to make my expenses back, and then I will donate the remaining badges to the "ticket booth" at the DD entrance where they can be sold to raise money for the Marsden.

Each badge is 2 1/4 inches round.

I choose the images, add the type, and the layout, but these are professionally made.

I'm embarrassed 😳 I don't know my left from my right and it's no joke! The one I like best is bottom right 🤔

Fortunately you all will not have to confine yourself to one choice.

BTW what do you think is the right price to charge for them?

Its difficult to say Nancy without knowing the cost to you, but most people know its for a good cause, and I find are usually very generous.

Guess the math is kinda complicated. The cost I need to recoup is \$134 or 67GBP.  
I want to do that by selling some badges before Dusty Day proper.  
Then I can hand over the balance of the badges for sale at the door for Dusty Day and all those proceeds will go the  
th Marsden. ( I can talk to the guys there about what they think the right price is.)

The badges that say Let's Talk Dusty! will be given away to members.  
The question is, what would members pay for other badges, before the day?  
Does 1.50 GBP sound right?

Not a big deal; I can sort it out once there, but if anyone wants to give input, that's cool too. Thanks.

That would certainly make the math easier.

2 GBP probably sounds a lot less to you all than it us to us in the land of the incredible shrinking dollah.

Maybe 3 for 5 GBP too.

I'm inclined to agree - make it £2.00 and put up a big sign saying proceeds to the Marsden. Everyone will probably  
know that anyway.

The ones sold on Dusty Day itself will be on the table with the guy/s who take the tickets. \*Everything\* there and for sale/auction on that day goes to the Marsden.

Hopefully DD08 will break the 5000 GBP mark for monies raised. Last year 4600 was raised.

Oh I know that and it is certainly worth repeating it here. But I was thinking more of a very obvious reminder, as that tends to gently encourage people to spend a little more on something than they otherwise might do. Anyway, given the people who will be there, you could probably charge a tenner and people would \*still\* buy a couple :)

Mary, I have no doubt whatsoever that Dusty would have seen the sparkle in your eye and the sheer joy in your heart, radiating across your face, as I do when watching, and known exactly what your sentiments were. Some things are far more powerful than mere words.
