Some people won't know what an EP is/was... Well, they were like single discs but usually contained approx. four tracks, in some cases five.

My question is:

If you could create your own EP from Dusty's live performances.. which tracks would it contain?

Okay....I'll kick this one off:

My very romantic EP would contain just 4 tracks.

- I'll Never Stop Loving You.
I Don't Want To Go On Without You
Since I Fell For You.
To Love And Be Loved.

Carole, are we talking studio versions of those live performances or just the live performances themselves? Happy 400 posts, btw.

Thanks Taylor...

Good question!... Wish I'd thought of it!...

I suppose when I thought of my original question I was thinking of the 'live' performances as they stand..

Well, in any case, these are the ones I'd choose, live or studio:

- Nowhere to Run
- Lose Again
- It's Too Late
- Ain't No Sun Since You've Been Gone

I'd go for songs that were not necessarily associated with Dusty.

- I'll Never Stop Loving You
- To Love and Be Loved
- A House is Not a Home
- Angel of the Morning

and for an added rouser...
