A place to post anything Dusty that you may have received over the holidays.

The other day, I received a card in the mail from a friend who had seen Dusty at the Grand Finale in NYC, 1980. She went backstage and took Dusty's picture (I got a copy of the pic) she writes inside that Dusty was an absolute doll & really sweet...she also got an autograph. When I get time, I'll post the pic.

I didn't get any Dusty pressies 🙄

The reason is that I said to my parents that I didn't want them ti get me any because I'd rather choose myself so they gave me a load of monies instead SO I will buy myself a dusty present and post it here when I get it! 😊

Matt.

Henley Bear came from the teddy shop in Henley and made his way to Cas's house for Christmas. He wears a little vest saying 'Henley Bear', just to let folk know he's no bog standard bear 🙄 He could always be Einstein Jnr Cas 📄

That's quite iconically behind the mask actually - like something Annie Leibovitz would take.

Thanks for posting, Paula, it's a great - and unique photograph.

Lucky calf!!

I found out from my friend in Texas that she tried to get me a Dusty gift on ebay but missed out and then there were no more for sale. It was a pink nylon pillow cover with a picture of Dusty and said "Dream a little dream of me". Anyone ever seen such a thing?

Haven't seen the pillow cover, and I have been scouring eBay lately - would be an interesting thing to see!

I finally got the 'Simply Dusty' earbook over the holidays - found a copy in Amsterdam. Behind the times as always, but enjoying it thoroughly! :)

Very cool t-shirts Sophie! Did you just use iron-on transfers for the ones you made, or did you take them to a print shop? Every time I've tried to make my own shirts with transfer paper, they've turned out crap. :P

Cas, somewhere in the recesses of my mind, I have a little memory of getting a T shirt from the fan club but other than that....it's gone!

And Nancy, why would Rob want a pink T shirt? If you're thinking of running up a few for DD btw, I'll have black with pink sparkles please

Rob would want pink to go with his pink headband etc that he wore in support of breast cancer research. I think pink looks sweet on him.

That's zippy "pretty in pink"!
