Not a reference to 'Occupy Your Mind' but inspired by Ro's comments on Dusty in the afterlife...

Making the assumption that Dusty is watching over us...🙄

What do you think she feels about

a) Exposure/misrepresentation of her personal life?

b) Outtakes, demos etc of her music

c) Ms Pigfield

And is there anything else she might have thoughts on? 🙄

I think that she knew her personal life was going to be invaded when she became famous, even if she didnt want it to be. There isnt much she would be able to do to change the minds of those who have the wrong impression of her personal life..

I think she might like us (as in her die-hard fans) to hear music that wasnt released coz we dont know the reason why it wasnt released. It might just be because it wasnt suitable for an album or maybe she really didnt like it. But i dont think she would mind..

LOL!! She would dig Ms Pigfield to the max 🙄

What would she have thought of the motley crew occupying this web forum?

Well it's all right to go on and live your life, so come out into the light....

According to that logic, the organizers of this forum must get to sit closest to her throne. 🍌

a) Exposure/misrepresentation of her personal life?

Well Dusty was essentially a pretty private person, so I think things (DWD springs to mind...) things that betray the more personal things in her life would have her pretty p***ed off! But things like food fights, good parties etc. etc. I dont think she'd mind people knowing about.

b) Outtakes, demos etc of her music

Honestly, whats done is done. I dont think she'd mind her die-hard fans like us knowing. The unreleased tracks arent likely to go on sale to the entire world, just the people who get the DSB - i.e. her fans. So I dont think she'd mind us hearing them 😊

c) Ms Pigfield

Who DOESNT love Ms Pigfield???? I think Dusty would think she was awesome as 🙏

wow man ESSAY!

Sartre weighs in. 😊

a) Exposure/misrepresentation of her personal life?

Doesn't care - already reincarnated as an obscure Bulgarian peasant girl with no memory of previous lives. 🙏

b) Outtakes, demos etc of her music

Doesn't care - already reincarnated as an obscure Bulgarian peasant girl with no memory of previous lives. 🙏

c) Ms Pigfield

If this porker doesn't stop trash talking me, she'll be joining Dusty in the great afterlife. 🙏

Just an odd question - Why do all these people who believe in Reincarnation fancy themselves as some larger-than-life historic figure? How many Cleopatras were there exactly? Napoleons? Have you ever heard any of them claim to be Maury The Grocer? Nope.

Take that, Shirley MacLain!!! 🙏

Great answers gang

If Dusty is watching she would probably wonder why we are spending our so much of our lives thinking about her.

Regarding forum wars - she would say - lighten up' rather a lot I think...

I don't think she would be comfortable with some discussion topics, but accepting 'People want to know'

I think she would love the excellent adventures of Ms Pigfield - what's not to love?

As far as whether there is an afterlife - jury's out. I like to think my Mother is watching over me. (but hopefully averts her eyes sometimes!!!)

Yeah, Ro.. I don't buy Shirley Maclaine. Period.
