Hi all.

I made the below poster for my partner.

I was wondering if anyone else has any Dusty posters hanging in their house and wouldn't mind sharing 😊

....this isn't technically a poster, but it hangs on my living room wall - it's a page from a Sept. 1964 Cashbox magazine, and I think was my first ebay/Dusty purchase! 🙏

....who fortunately doesn't suffer the DWD association with this picture - it's probably my all time favourite (living in Nth. America has it's advantages!!)

Very cool, Jen! 😊

🗨️ Hey Clare, what do the dates on your poster mean? Does it say 1939-1995, or is my vision, even with contacts, even worse than I thought it was?

Dustily yours, David

Two super classy big posters there, I'm really envious of the Cashbox one Jen 😊 I notice the centrespread from the last Bulletin up there too, that's a wonderful shot.

Here's one I did have way back when but I'm sorry to say I don't have it now. Shame as I just got it signed earlier in the day.

Hey david, yeah the dates are screwed on that poster!! I was so angry when i got it... it's meant to be like how long she was alive for.. so it should be 1939-1999 but they put 1995 instead... losers... i've e-mailed them sooo many times and all they say is that they'll pass it on to the supervisor.. they should have some respect..

it makes me angry!

Yes David it does say 1995 on Clare's poster. I bought 3 off Ebay ages ago without noticing the date. I wrote to them complaining, as I know other people did too. I kept them though and just cut the dates off before I gave a couple as presents.

These are lovely! Nice work Raven_Voy! Hope your GF appreciated it. Jen I really love yours too.

I see I must get some pictures taken. And more of my albums framed!

Ha Jen 🎉 There are still many things out there that I covet! I lost almost everything I collected in the

sixties and had to begin again. The biggest things on my wish list these days tend to be footage of Dusty performances that aren't yet in the public domain but that we know exist. Now if you have....😞

OMG! you are sooooo lucky! I hate you! (in a good way!) I wish I had that many Dusty posters - well - I wish I had at least 1 Dust poster! Where does everyone get them from?

you can get "The Long Blondes" poster from HMV in Oxford - it comes free with one of the 7" records 😊 as for my other posters, they're just printouts of photos i found on the internet!

I have the same poster and I was furious too with the wrong date - IDIOTS! 😡 Again, I emailed the site I bought mine off and they couldn't give a toss. Like I said, IDIOTS! 😡

But I still have the poster up because Dusty posters are very few and far between - and it's *Dusty!* You'd think the company that produces that poster would have changed the date by now though... Idiots. <<< Have I said that word enough? 🤔 😊
