I figure if "Miss Clare" can have her own vocabulary school, "Miss Bosseh" can run her own Dusty school.

Now, who is interesting in enrolling?

A placement test will be given at the end of the week.

Doesn't apply himself and he must try harder was my school epitaph.

So if you can motivate me you can motivate anyone...

Are you up to the challenge, Ms Bosseh?

What a nice bunch of applicants.

I'm inclined to accept you all.

Your placement exam, however, will take place on Friday!  
Please review all Dusty biographies and recordings by then.

P.S. Timmy, please bring Lassie to class to help you pay attention.  
P.S. Sophie, corporations will not be admitted. Do not attempt to apply under more than one name. You should be aware that someone by the name of Buttercup is using your name as well.

In control at last,  
Miss Bosseh

Hello Nandakishor. Since you have so rudely denied our application, we shall stay in Miss Clare's class; advertising our dreadful quality Burkas until the proverbial cows come home.

Not at all yours,

Will do. I don't know if you're aware of this, but you have caused a war between Sophie's personas - they are currently battling it out Gears Of War style to decide who is worthy of joining your class.

Missy P,

I think you should be more concerned with passing your entrance exam than dictating the curriculum. 🙄 However, I am hoping you will be admitted, especially as you have not been tainted by Miss Clare's class.

Throwing objects is a favorite pastime of Bosseh here, and what a challenge with these hooves, so I'm sure you request can be accomodated eventually.

Sincerely,  
BB

P.S. Don't give Corinna the ~~right~~ wrong idea.

Screw the family show, Corinna is my hero hehe 🌍

I am so looking forward to this exam, how so very exciting. It won't be as well taught as Miss Clare's class but it will do! 🙏
