Here's one of my earlier versions from a few years ago. It also has photos of some of my friends who had passed on.

Well it's all right to go on and live your life, so come out into the light....

It's beautiful... and very sad at the same time... what an affectionate way to remember your loved ones.

I think this was a little display from a Dusty-themed birthday a few years ago. Mary gave me the LPs, the beginning of my collection to which Laura and Tom have added.

Wow Matt!.....you certainly have some rarities there!

There's no doubting *your* devotion to our Dusty!

As I recall the 'greatest hits' one was released in late '79, as a Teen it was my first Dusty purchase, (though Sis had many from the '60s) and I've been hooked on Dusty ever since!

Evening All

Firstly Matt thanks a lot for posting my 'shrine' its taken me a long time to to get it. Does look impressive !

Mads - The black and white photo was taken by Tery O'Neil (the same session with Dusty wearing the blue leather jacket) the wording says 'My face in the sixties was a good thing to hide behind. Without it I was a quivering wreck. I was terribly shy'. I beleive the photo appeared in 'The Observer' a UK Sunday paper. Carole G will know, I'm sure. I'm lucky to have a part time job in a photocopy office since I retired, so I can amuse myself in slack periods photocopying Dusty !!!

Corinna - the office is in the spare room of my flat not where I work.

Nancy, the only thing I'll leave you in my will are by debts if you like. Pity there isn't a Dusty archive somewhere.. I'd hate them to be sold at a car boot sale, I'll have to give this serious thought. I feel quite healthy at the momement actually, must be my new pills !!!!

Thanks again Matt.

Tom

The walls look great Tom! I only have a poor photocopy of that article and there's no heading to it, but it was written by Jon Savage and he wrote for the Observer and it says at the bottom that Nothing Has Been Proved was to be released the next day. As for that picture, am I the only one who doesn't care for her look there? I feel that all the pics I've seen from that session, with maybe the odd exception, make her look very hard.

I have to say that all of your shrines are just wonderful...my husband would look at me strange if I was to put up even a photo of Dusty. 🙄 Not that he doesn't like her, he would just think it most odd...I know it. Oh I'll be glad to help you out there too, Cas. I'll bet Mark would donate his white van for the effort.

Cas, perhaps you could try the Laundry--few husbands ever go there! We have all our walls filled with other stuff, so I am going to try the Garage walls and the hallway for our pictures of Dusty when they are ready.

Two new little additions to my CD collection I found today in a small independent music store just outside Brighton. I shall visit on a regular basis as the chap that owns the store is a Dusty fan (lucky for me 😊) and tries to get hold of as much of her music as possible... he likes to promote her as often as he can - good man I say!!!

Oh, Reputation and Rarities! Good one!

But what's above? A gatefold CD? It looks gorgeous, but these eyes can't see it properly... 😊 Can you post a bigger piccie, please? And/or explain what it is? Title?

oh! I love that CD - It's great. 3 discs? I'm gonna have to buy that one... My next door neighbour lent it to me to copy all the songs for myself 😊

The one above it is "Dusty Springfield - The Ultimate Collection" (complete with fingerprints!). It's a 2 disc with a 3rd bonus disc in it!

Hopefully these piccies are better for your poor old eyes Cor!!

Wow, Bev, lovely album! Love the fingerprints! Are they Dusty's? 🤔

My eyes are not THAT old, but when it comes to short-sightedness, Dusty and I can shake hands. If we can find them, that is.

I wish Cor... If they were Dusty's fingerprints it would be in a sealed cover and NOBODY would be allowed near it I can tell you!!!! 🤔

I picked that little lot up in various charity shops around where I live - it's amazing what you can find that people get rid of... though why anyone would want to get rid of Dusty is beyond me!!! 🤔 Still it helps me though! 🤔

I want one of those internet fridges....I reckon they're so cool! If I had one, I'd have Dusty as my desktop on my fridge 🤔
