Hi Mary, no there's no pic of Dusty on the British single release of 'In Private', either 7" or 12", it's in a aqua paper sleeve, I think a 'less is more' approach was taken with this sleeve design to make it appear 'classy'.....a look which I'm sure Dusty approved of

The French 7" and 12" versions of 'In Private' had pictures of trees of the sleeve, no Dusty !!!

I just took some pictures of my loot to make me feel better....I'll post them soon.

Besides, I reckon you need these bargains cuz of all the money you spend on petrol checking out all the Dusty locales....and now cars! Say, do you suppose the seller would let you drive it around the block?

oh just thought I'd let people that live in Oxfordshire know that in Reading there's shop with lots of 60s music books (where I got mine from) with Dusty in, and another shop just next to it with several LPs in, I have them all, but for those who don't...

Finally took some pics of some of my Dusty stuff. Looking at all this brings memories and kind thoughts of the generosity of so many people who've given things to me....Thank you.

Here's the package that came the other day...new book and CD-- early bday presents; and an album I bought on ebay...notice it still has the shrink wrap on from decades ago.

Here are some of Dusty albums and pics I have framed on the wall of my study.

Some other albums and pics I haven't gotten up on the wall yet:

Some stuff on the side of the file cabinet:

My 45s:

Some books:

Piles of Dusty stuff that hasn't been sorted:

Some Dusty stuff that has been sorted:

My Dusty shrine and some closer shots:

Cool collection!! Amazing. I love it 😊 GRR I really love that copy of the Australian Cameo LP. Cos it's my favourite album I'm hoping to get all the different covers.

Yeh, now it's my turn Bev 🍷

I picked up a copy of This Is Dusty Springfield Vol.1 which was £10 but half price down to £5, (I might not be getting the bargains like you but I'm still finding stuff) and I got Classics and Collectables from HMV which was reduced from £14 down to £8.

Yeah, read that Bev, go on. 🍷

lol.

The playing card Allison got off Amazon as a gift for me. But I think there's only the 6 of clubs. We all know Dusty should be the Queen of Hearts !!!

That Australian Cameo was a gift from Tom. Okay, I made a donation to the Marsden, but still !! Fraser gave me that Springfields album on Dusty Day.

BTW that prayer bookmark is from St Mary the Virgin church in Henley. And I just bought 6 new record album frames yesterday !!

Is Mr. Softee an ice cream? If so, I hope it is not being wasted on a child.

Here are a couple of similar things I've seen on eBay:

This is a Lord Nelson card, whatever that is:

And this is a sticker stamp:

I also have a small card from Vlinder with Dusty's image...I want to say it's Dutch...is this a ciggie card?

Don't know about that brand, Nancy. I've never heard of Vlinder. I've looked both cards you mention up in a

cigarette/trade card catalogue but cannot find them. The Lord Nelson card is good of Dusty although she does look as though she is wearing an awning IMHO. Both cards are likely to be trade cards as the era of cigarette cards finished with the onset of WWII and papershortages--although there have been a few releases since that time for cigarette cards, it is not common. Since WWII cards have been given with tea, biscuits, cereal and many other things. I'll keep an eye out for the names.

Wow, Bev, you seem to really have a "nose" for finding this stuff. I've started looking through shops here, but it seems that Aussies only want to throw away old Herb Alpert and Montovani Lp's! It builds your arm muscles looking through loads of heavy old Lp's though 🙄

xx
Kathy

"I sometimes smile when I think of how I looked then..."

Posted - 14/08/2007 : 09:33:06

There's a lot of Herb Alpert and Mantovani here too believe me! It can make your arms ache but if you find something then it's worth it I say! 🙄

Maybe you should try my approach - when I'm going out looking specifically for Dusty stuff I always talk to the lady herself and ask her for a good day's shopping and if she can leave something for me to find!! And if I do find something I always say 'thank you' when I get home! Maybe she does listen in cos it seems to be working so far!!!! 🙄🙄

Well it worked for me yet again today, I asked nicely and came home with three 45s for £1.50 - IJDKWTDWM/MCB + IOWTBWY/OUAT + Bambino/Star of Hope (The Springfields)!! I must be in the lady's good books at the moment! 🙄

These are all duplicates for me so if anyone wants any give us a nod.

Managed to rescue two more LPs from the "unknowing" today Kathy 🙏🙏

Having read the info on the back of them it's funny to find that they both have Dusty being born in 1940!

I don't think I've seen the last LP Bev, what tunes does it have on it?

24 Hours from Tulsa
Anyone who had a heart
Go Ahead on
Everyday I have to cry some
Now that you're my baby
The corrupt ones

The look of love
Live it up
I wish I'd never loved you
Rest' Encore Un instant
Who can I turn to
I want your love tonight

I love that LP, it's a cheap compilation, but a good one. 😊

Tom sent me a birthday pressie! It arrived a little late, but who cares, I love it! It's the Silver Threads and Golden

Needles LP from the US, along with copies of other Springfields sleeves from around the world. Also a selection of photos of Dusty LPs from around the world.

Thanks for the song list Matt, and what a lucky fellow you are to have such a nice birthday present. Well Done. 🎉

I got a "new" LP today called Stay Awhile. It features Dusty with "that" dress. I'll take a photo of it and post it soon. 😊

I've been thinking for some time that some of the last few posts should really be in I've Got a Good Thing, so maybe we should be putting records, etc we have managed to buy there and saving this site for complete collections or actual shrines we have set up whether temporary or permanent. As a result, and, leading by example (always a lousy position to be in! 🤔) I will post my two Dusty LPs acquired over the last couple of days under I've Got a Good Thing! 😊

Well I would have answered that but some young whipper snapper got in there first! 🤔 Maybe I'm just getting slow in my old age!!!! 🤔

Definitely agree with you there. I have a an art project in mind actually, I just need to work out how I am going to do it. I want to make her the centerpiece of the music lounge/guest room. I want to do something in the same theme of the Ready Steady Go! backdrop they used on the Motown special.

That would be divine! I have a laminated foot high Dusty on a stand...you know the image of her with her arms crossed that was used on RSG....she travels with me! Very iconic image...

I love that as well. It's so mod! She really was cutting edge...I really like all the pop graphics I am seeing everywhere these days.

I've read both of them. Sophie I think you'll like Scissors and Paste. Just Got Leeson's Dusty Springfield a Life in Music the other day. Haven't read it yet though.
