Hmmm yes it is. The original is more delicately shaded than appears here, so it's lost something in the scan. Pencil drawing is notorious for that. Next year I will do some big coloured canvases of DS I think. Maybe Pop art style - you know like Warhol's Campbell's soup can!

Have a cool hol, Clare!

Tim, you're the best artist ever. I used to think this chick in my art class was the best artist ever but i was clearly mistaken. That picture looks exactly like Dusty 🤩 You're a talented man Timbo 😊

Rats--you shrunk it! It's still beautiful!  
We're so lucky to have you with us.  
I can't help feeling that Dusty would be pleased as well.
