Did Dusty ever perform with Tina Turner? I thought I read somewhere they appeared on Ready Steady Go together but I can't be sure.

Without being able to find the quote because I can't remember if I heard or read Dusty saying it, I'm sure she did appear with Tina. I remember Dusty saying that they sang together and Tina was so loud that Dusty couldn't hear her own voice.

I'm not familiar with Tina's music but my Nan did tell me that she danced like she need a sh\*t (funny) I think a duet would've been great from what I heard of her. They would sound good together.

the Tina strut may have to do with the high, high heels that she wore...how any one can walk, never mind dance in shoes that high is beyond me. Hey, Mick Jagger's stage struts were taken straight from watching Tina on stage. She also has some of the best legs in the business...I'm sure, Dusty would have loved to have been blessed with them.

Are there any songs they've both done? Maybe someone will do something clever one day, like Imposs Duets..

Whoooooooooooooooooops - my mistake. It is Teda.

Dusty never sang with Tina; but, Teda did. In fact, Tina asked Teda to be an Ikette way back in the day. Since Bonnie Bramlett was the very first white Ikette, it could have been interesting with the 3 of them on stage at the same time - would have been one hell of an act - but, alas, it never happened. However, Tina & Teda maintained their friendship through all these years.

Teda's too modest to tell you this - ergo, I was enlisted 😊

I used to work at a dental institute - apparently Tina was once in the area and needed an emergency fix on a broken tooth. Not much of a story, but I thought I'd mention it nevertheless. :P

And that is a lovely photo.

I did, at a big gay pride celebration in Houston--a year or two before her "comeback" with Private Dancer. I was about 5 feet from the stage and those amazing dancing legs. She was truly amazing.

Did anyone catch the tribute to her at The Kennedy Center this past year?

Nobody asked me to, but I like playing with photoshop so have enhanced it a bit for u, Teda - can't do anything about the flash bouncing off those immaculate American teeth though!

I don't know why but I also seem to remember reading somewhere Dusty saying she had to run up some steps with Tina while singing River Deep or Proud Mary. She said that she couldn't hear herself sing as Tina was so loud and had vibrations from her singing as Carole said. I always thought they'd maybe met on RSG when Ike and Tina appeared on it? Can anyone shed any light on it??

Great photo Teda!
