I'll keep this one short, since I've been asking so many questions lately. ☹

Does anyone have any quotes from Randy Newman about Dusty or her interpretations of his songs?

Unfortunately, no. I think you should contact him and get one, though.

P.S. How could there be too many Dusty questions?

I know he raved about Cilla's 'I've Been Wrong Before' once and I couldn't understand how anyone could mention it over Dusty's INFINITELY superior version!!!! :-)

I know that Randy said to my Jennifer get Dusty in Memphis, and hear how she does I don't want to hear it anymore. He wanted Jenny to do it. I don't think it was a put down. He knew Jenny could do it. I said to her please don't do it till after shes gone. It will make her crazy. She still hasn't. She would do it Jennifer style. I like it, I want to do it. Its a great song. Teda.
