Thought there might be a few of you who had never seen this clip from The Big Time in 1980.

I am among the few, and really enjoyed that. Dusty looks stunning in the closeups. And has some good advice.

Brilliant! Thanks very much. I can't remember Dusty being on this star making series at all.

Sheena did change her image a few times. I used to think she'd do anything to sell records. But she always seemed so in control of her career that I would bet she never did the drink and drugs thing to excess. I bought a few heavily discounted Sheena albums. I kept just one early album because of her scorching version of Janice Ian's 'In The Winter'. Little did we know that Dusty had covered this song too.

I liked Sheena Easton in the beginning when she first came out very much. After seeing her

live in concert, I completely gone off of her. It was the worst concert I ever went to. I cannot tell you how **LOUD** it was. I think I still must have a bit of hearing loss due to that concert. I have a friend who told me he walked out on her concert for that very reason.

Too bad Dusty had to learn the hard way and not listen to her own excellent advise. Shortly after seeing Sheena live, I have a vague memory of Sheena advertising some exercise equipment, gym or diet on the TV and radio. She must have had Dusty's advise in mind when she did it 🤔

Guess Sheena really was/is? a Dusty fan. BTW, I thought she looks rather "Dusty-ish" in the utube video.

Hmm - sad that Dusty had all the answers to pass on by learning the hard way.

She looks lovely here.

Never been a Sheena Easton fan so it was the Dusty angle that got me.

Thanks Carole.

Oh well, we've had one YouTube Sheena moment. Here's another one

Sugar Walls:

I remember a night with my buddies. We laughed so hard about this song that we still laugh about it to this day. 'Your body's on fire, admit it. Come inside!' LOL! But her version of 'In The Winter' is really good - honest! And 'For Your Eyes Only' is great too.

And she released a great disco mix of '101' - my favourite Sheena track. I think it's great:

The Archives of Let's Talk Dusty! - D...

I loved watching this. Thanks for posting it, Carole. Sheena looks so smitten and star struck!

Quite unlike her Sugar Wall days! That song is FILTHY! I'm assuming Prince wrote it...?
