Asking this for a friend-

Does anyone know where Dusty went on her travels as a tourist rather than a traveller. I know she went to Brazil and Amsterdam. Did she go sight seeing while in Germany for instance, did she ever go to Disneyland?

Yes she did go to the Virgin Islands, I think it was to recover after she had to pull out of a tour through illness. The trip to Rio was something Dusty talked about for years. I believe there were six of them went, Dusty, Martha, Madeline, Peppi, Vic and Tom. That seems to be how Dusty remembered it anyway. In a fan club newsletter she said..."I had a terrific time in Rio - it was boiling hot although a bit overcast. As you know I had to come home a bit early due to my bad foot - it doesn't always pay to be short sighted!! It is much better now and will soon be as good as new. The Carnival in Rio is something which I'll never forget. it would be impossible to explain the explosion of colour and noise which happens once a year here just before Lent. I had a lot of fun but it couldn't be considered a rest - but it was certainly an experience."

I also remember an early holiday to Torremolinos which she described as a small fishing village. Not any more it isn't! She said she loved Rome too, that it was her favourite city.
