About a week ago I spotted a display at W H Smiths of CDs of artistes from the 60s 70s and 80s. Among them was a Dusty compilation called I think 'The Ultimate Collection' and selling for the bargain price of £2.99!! There were about 15 CDs on her shelf. Went there today and they've all gone!! Have they all been sold? Funnily enough they've still got a photo of Dusty on top of the display. Has anyone else seen this CD ?

Chris,

There are 3 compilations of the same title on Amazon:

Thanks for that Memphis. Unfortunately I can't recall the photo on the CD. I asked a woman assistant in W H Smith today about the Dusty CD and she thought they had all been sold. She was not sure when or if there would be another batch for sale, so I shall have to try and visit the store more frequently. If they have been sold that means there must be more secret Dusty fans here in Exeter.!!

Well, Exeter is a cool place! Taste abounds there (embodied by you of course) and those students should know a thing or two about Dusty by now.

Sorry Memphis.! Completely misled you about the CD. Found it and bought it at WH Smiths today. It is in fact called Classic Dusty

4. Little By Little.
5. You Dont Have to Say You Love Me,
6. All Cried Out.
7. All I See is You.
8. I'll Try Anything.
9. The Look of Love.
10. Losing You.
11. Whats It Gonna Be.
12. Give Me Time.
13. Mocking Bird.
14. Will You Love Me Tomorrow.?
15. Something Special.
16. Son of A Preacher Man.
17. The Windmills of Your Mind.

The front cover shows a photo of Dusty from the early sixties with the heavy eye make up. (As i am useless with computers Not able to send you a picture. This post has already taken me 15 minutes.!!!) Anyway a bargain introduction to Dustys music at only £2.99.!!

Thanks for the titles, Chris. That's a great selection for only £2.99. I'm amazed by some of the low prices for current Dusty CDs. I think you can get the 'Dusty in Memphis' and 'Ev'rythings Coming Up Dusty' CDs for less than £3 too. Maybe there's a Dusty clearout going on because there'll be a new batch of CDs coming out for Dusty's anniversaries in 2009.

Or maybe CDs are on their way out. I read recently that, for songwriters and music publishers, revenues from downloads and broadcasts have now eclipsed CD sales.

I got the CD yesterday (from Play.com, they also have it at a good price). It is a nice collection but according to the liner notes Dusty's birthday was August 16 and she had brought out an album called *In Private!*

I popped into Woolworths yesterday. They suddenly have lots of really cheap CDs from Coldplay through to Dusty and Petula Clark and Donny and Marie Osmond. From under £5 for Coldplay to under £3 for Dusty and the rest. I think the Dusty CD is the same one Chris bought.

I bought Nancy Sinatra's last album for £2 there a couple of months ago.
