Quite pricey, but it certainly looks like the real thing! I've seen quite a few fakes out there in the past.

In a way, it does my heart good to see it can demand such a high price. Wonder what it will eventually sell for!

It's got the option "Buy It Now", Marty, so for £ 98 it's yours....

Didn't notice the buy now Frans. Been rushing around before the holiday like a chicken with it's head cut off!

Yes Terri I have Dusty autograph from when I met her in New York City.
