Where am I going?

Blimey! I haven't got over the last one yet. Better start planning for the next one. Well, I already am 😊 Now where is my podium?

Here's the link to Simon's site:

Not much there at all yet. Interesting that Simon has chosen that DWD paperback cover shot. I always think Dusty looks a bit druggy and awf her head in that one. Therefore I wouldn't use it. On the other hand she looks edgy and totally cool. What do LTD folk think?

I love that pic - looks like she's psyching out the photographer.

Now I have no excuse not to go next year with such advance notice!

I hope we get a date as early as possible as i'll need to request some time off, I believe Simon is looking for an alternative venue as Finnegan's Wake was seriously understaffed this year.

I always associate the first photograph with our Mads, i'm sure it's one of her favourites.

Thank you for the link Memphis, we have been planning already to try to be there. I hope they find a really good venue if they do change it.

I noticed that too. A bigger venue would be great!

are altering the performance room that they are having more seating but it means less ticket capacity!! I hope we can get in as last year half of us were out at the bar watching as the room was so full.

Maybe one of the moderators or admins could combine this thread and the one on the 'Let's Get Together Soon' section?
