Here's the link to an article by Sharon Davis celebrating the Dusty anniversaries in the latest Blues and Soul magazine.

Does anyone have a copy of the original article she wrote years ago about Dusty?

As Memphis already posted the one I expect you were looking for Will, I thought I'd post the eulogy she wrote for Blues and Soul in '99. It may not be that easy to read as the printing is white but I don't know how to make it bigger.
