Helen , Neil Tennant recalls Dusty wore a black leather jacket to the recording session of *What Have I Done To Deserve This*. It could well have been your one.

"She arrived at the studio on time, in a black leather designer jacket and high-heeled boots, with blonde hair and black eye make-up, clutching the lyric-sheet of the song, annotated and underlined."

Did you decide it was not the one pictured in the other thread (at the fan club thingy) or is that an open question?

I agree it's a very 80s style. I had a topic that had a similar "Jetsons" look in the shoulders/top of the sleeves.

Sorry if this has been posted before, but why are they calling THIS a Dusty Springfield black leather jacket? 🤔

The one in the picture at the fan club thing isn't the one it doesn't have the things on the arms and it has a zip.

Thanks Clive that makes it even more special if it's a personal one 😊
