[Dusty's Perfumes](#)

■ by [Cecelia](#) » Sat Feb 01, 2014 3:08 pm

Recently I purchased Channel 19 (Dusty's perfume in later years) and Joy by Jean Patou. Amazon sells these little vials (0.05 fluid ounces) for about 7.99 (US) or so. I love the Channel 19 and I think it smells better after it has been on a few hours. Joy is very unusual but I am not surprised as Dusty seemed to march to the tune of a different drummer. It is Jasmine and Rose together. They call it an extravagant floral bouquet. Either way, it is nice to smell them and think of Dusty. I don't use them a lot because I want them to last. But when I do wear them, my partner always says she smells Dusty.....

Thanks, I'll check both perfumes out. 😊 I'm sure Dusty took great care of all aspects of her appearance including her perfume - just going by her photos, videos, etc., she always looked fabulous.

I thought oh good, I will buy a bottle of chanel number 19, so that once I have sorted my dusty room out I can spray a bit in there every now and again. and then I saw the price, I don't think so!!

Neil- the bottles I got from Amazon were very little and very cheap. You only spritz them every now and then. Check out Amazon and look under perfumes for Joy and Channel 19. They are like vials you get as free samples from department stores.

Chanel 19 is very expensive. I remember looking at it in Majorca thinking it might be a lot cheaper than in the UK but sadly it wasn't. 😬😬

I popped into Boots some time ago to see what Chanel No. 19 smelled like. I liked it but not that much when I saw the price! Oh what a shock! 😱
