I have Dusty's UK & US single discographies thanks to the *Complete Dusty Springfield* but I was wondering has anyone compiled her discographies for other territories? e.g. any of the continental European countries or Australia, New Zealand, Japan?

I know there were a few interesting variations (e.g. I believe *Spooky* was an A side in Germany)

Anyone know of any others?

thanks Frans, I guess maybe it was because of Dusty's verse in French? Maybe it should have been an A side.
