I'm starting this thread so we can begin collecting pics of ppl wearing their Dusty tshirts in different locations. Rome, Paris, London, anywhere! So bring your shirt with you next time you travel or just go for a walk or an outing...and bring that camera!

Oh, brilliant idea! I usually take my Dusty t-shirts to work out with me, but I never thought of bringing a camera to the gym. I feel a little shy about it, but I'll just have to come over that, I guess.

I'll see what I can do. I've still got a really nice pale blue one to show off that Nancy sent me for Christmas. It would be great to put Tapitallee on the map.

Well done, ladies.

And be sure to sport different shirts in different spots, if you want maximum exposure on the appointed thread. LOL.
