Whilst searching the web recently, I found a lovely picture of Dusty with a Christmas tree. I forgot to make a note of the site & cannot find it. Does anyone know the picture I am referring to & where I may find it to print?

Many thanks for this great picture. It was not the one I saw, but a great bonus! Many thanks.

Many thanks for the pictures. I have now found the one I was looking for. It's on the Dustyville site. The link is: groups.yahoo.com/groups/Dustyville. Sorry, but I don't know how to attach pics/photos, but have a look at the aforesaid site. A lovely festive picture!

Ah that one with part of a tree! It is a lovely shot and was a Christmas cover for the Bulletin a few years back. It's on our site somewhere too, although the Dustyville one looks to have been lightened quite a bit. The link didn't work, so try this.

It sure does look lightened. It's a pretty pose, but I prefer the spontaneity of the pics above.

I can't get over how spidery Dusty's legs look there!

Nancy, we know you have an obsession with Dusty's legs, but do try to keep it in check! 🤪🤪🤪
