LOL Matt, think she'd fess up? 🤔

Mark, you look so cute with that chimp!

Bit strange to give away a pet, though, to someone as busy as Dusty... 🐼🌍

Looking through my files I came across a piece that says that the monkey was no respecter of persons and that it relieved itself all over Madeline, Pat and Dusty. Dusty then from all accounts went around singing, 'I PUT A SMELL ON YOU' 🐼

Cas, thanks so much for sharing that article. (And I like when they come out BIG.) Really interesting to hear Dusty talking about the monkey--you can see her consciousness about animals-- , and just the whole business of how the reporter created a piece out of the incident. Maybe it's just the photo, too, but Dusty looks older than 26. Of course, she said herself she looked older than her age.

It was taken during a holiday in Hastings Mark....on the pier I think. I'm pleased to say that the practice of plonking a monkey in your arms for the price of a picture, now seems to be a thing of the past. Having said that, in Egypt about 3 years back, I smiled at the sight of a sweet little goat. Before I knew it, it was thrust into my arms and I was spluttering "no, thank you, I don't want a goat" 😬
