I saw this on Ebay and I remember it well, I did own one...so where is it? I remember I had this placed on the top of my record player when I lived at home in the 60's. Carole I bet you had one too

I have no memory of one of those Cas! That doesn't mean I didn't have one but if I did, the memory of it has been wiped. I guess it was one where you had to send off something that you collected with the tea?

Yes it was Carole, but it was Typhoo tea so I'm wondering how come I had one as Mam used PG Tips! As soon as I saw it tho' the memory of it came flooding back.

Yes, and I had one too, but I can't think for the life of me where it is now!
My Grandma was a big Typhoo Tea fan, never drank anything else!
