Thought, to compliment the donations for the animals thread, we could collect all the pics we can find of Dusty with her pets or any other cute creatures.

I'll begin...

Matt, that's cheating slightly! I just scanned that one in as well Cas, you're right, there isn't a big selection. Found this though, Dusty with (if memory serves me right) Tuppence.

Dusty is right about Emu's they do like bright things. Once an emu grabbed my cousin's wallet that was a Glomesh gold mesh colour and ran off with it. As a very new Aussie visitor I chased after it with a stick as all her money was in it. No one told me until later that emu's can severely injure you by their kick. 🤪🤪🤪 Fortunately it was so startled that it dropped the wallet.

Long before the celebrity cult of doggies in bags, Tuppence got a ride 😊

The picture was sold through the fan club Mary, which is probaby where your friend got theirs from.

These are fabulous; thanks so much, everyone. We'll make a nice photo album on the Animal Fund website and we can also add these to our website.

They had some of these for sale at Dusty Day...do you suppose they were left over from the fan club?

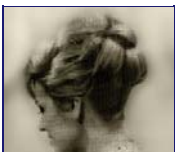

Cute as....

They could have been left over from the fan club Nancy, or just reproductions but knowing Pat, she'd probably kept them in her bottomless cupboard all these years!

Reproduced from the 1st edition of the Complete DS, it's Dusty and the horse with their matching fringes 😊 This is one of a set taken by Pat during the filming of the Roll Away video.

A seller is currently putting up quite a few pictures for sale (8 x 10 colour) on Ebay. Here is an example taken at the dog shoot:
