The top clipping on this page names two perfumes she liked...Joy and Channel no. 5. But There was another Channel she liked too...and I don't recall if it was 19 or not, Mary.

Yes, I'm certain more than ever now that Dusty looks down on we fans from above!

I've mentioned this on another thread but I was 'testing' the Chanel mens scent the other week when SOAPM came on the Store I was at, and it was like Dusty was saying "I approve.....get that one!" 🤔👍

I only wear my Chanel No. 5 lotion on very special occasions. Now, I may have to wear a touch of it more often...for Dusty! 🤔

I think from memory chanel no. 19 has more going for it, chanel no. 5 doesn't smell of much does it 🤔 or do you have to be naked 🤔

Yes it was Chanel no. 19. I wear it sometimes and love it--including now as I've just decanted some into a smaller container to take with me due to airline restrictions on fluids. 😊

mmmm, wouldn't we all like to have been able to get a little sniff of Dusty ...well, I for one would. My keenest sense is my sense of smell...really stirs up the endorphins.

I remember that Dusty liked Je Reviens and Le Dix by Balenciaga as I went out looking for both at the time I read this and ended up buying both. I also have a feeling Ma Griffe was another, as this was around the same time and I bought that too! Not sure where I read any of this or if I still have any articles tucked away where reference was made to them, but am pretty sure on the first 2.

Definitely remember Je Reviens and Ma Griffe in the 60's as I also bought those Joy was another, and none of them were cheap!
