I've only ever smelled Chanel No.19 once and unless the tester in Boots was off, it stinks! IMHO 🤔 I'll have to smell it again to make sure.

Thanks, Josh. Will have to look for that when I go shopping. Have you ever noticed the lack of pics of Dusty from the 80's and 90's? That's the ones that I most like!

I never really thought there was a lack of pics from later years...i've seen lots...but I don't have a lot....I tend to like the pics of Dusty from the 60's more than others.....she looked so beautiful...and let's not forget the dresses!!👍

I would certainly love to have one of her dresses!! Bought 2 autographs at an auction house. Sadly, that's all I have. I've been looking for a pic of her with the straight, long hair she has on the video with Cilla Black "Heart and Soul". Any suggestions? Terri

I've only ever seen the vid....never have seen pics from that performance...Dusty and Cilla looked awesome!...it was a great duet.

But I'm not really sure where you could find pics from that duet for sale.....Perhaps someone else can help??...pretty please someone? lol
