Hi Gang, with Christmas around the Corner and thinking of a present with a Dusty connection, would anyone know if Dusty had a favourite Perfume/Scent?.....from any Decade.....if so, hopefully it's still being made today!

Go for Chanel No 19 Mark, it was the one Dusty used later in her life. I think Pat still uses it, she certainly kept a bottle in her kitchen to remind her of Dusty. Scratch here and sniff 😊

Damn - I'm allergic to all Chanel and Dior. Yet, if I could wear Chanel, No. 19 would be my choice... it's quite lovely even if I have to load up on the Benadryl before I spend any time with someone wearing it. 😊
