Was Dusty 5'3" or 5'4"...or I recently read somewhere she was 5 3 1/2"?

I'm talking about the mid-60s Dusty here, what was her dress size? Shoe size? And about how much did she weigh? She looks tiny in some of those pics. Would she have been considered petite?

(It respondent/s can tell us US as well as UK sizes, that would be great. And weight in pounds, not just those quaint stones, perhaps?)

Well it's all right to go on and live your life, so come out into the light....

She was very definitely petite Nancy. Some fan club notes I have from probably late 1965, though there's no date on them, say that Dusty was 5ft 3.5ins, weighed approx 8st 1lb (113 lbs)and she took size 5 shoe and 9 1/2 stockings!

Thanks, Carole.

113 pounds....bless!

Can anyone translate those shoe and stocking sizes into Americanese? Also, what was her glove size?

Dare I ask the height of her highest beehive?
What about he height of her highest heels?

Yeah she was definately 5,3 it was those shoes and the beehive that made her seem taller. I think it was quite nice she was 113 pounds, its healthy, better than those stick insects you see which are too extreme...

Holy hell - size 4???

Well Madsy here is a size 9.5-10!!! haha!

Alrighty here's what I know:

- Brian Henderson on Banstand said she was about 8 stone/ 50 kgs / 112 pounds
- Then in some interview it said she was 5'4 and weighed 123 pounds
- Her boots were size 5 (I think they're Annimacs???)

haha i think you know all that already 🤔 oh well!

Love Mads i.e. GIANT lol Clare!

Bless, sis, you are such a PUP in that pic! As for the gloves, I want them back! 🙄 Just kidding; I know you are keeping them safe and sound. But they actually look too big for you!

Do the gloves have a size in them?
What size of gloves to you wear, Laura?

I'll see if I can find another pic of them.

Dusty's shoes. They seem to range in size from a British size 4 1/2 to a 5 1/2. Five pairs belong to me, a friend got the other five.

I'm gonna go with 5'2" - I'm 5'7" and I towered over her... well, without her 20-inch stiletto-heeled boots on that is. 🙄🙄

Now, I'm just a pint-size 5'6" - spinal disc problems will do that. 😊

debatable!

The reason?..you have all been so complimentary in terms of how you describe her size...wonderful adjectives....well folks, I'm basically the identical size as she was in the 1960's and throughout my entire life (remember I was also a Dusty fan in those early days?) and all I've ever been referred to is a LITTLE SHORT ASS??!!

Yes Tim she got some wear out of that dress! She did wear it for ICMEACTT, she also wore it on the Morcambe and Wise show when she sang How Can I Be Sure and for the last show in her second BBC series which ended with YDHTSYLM. Did I mention I was there for that one 🤔 It think it made an appearance on Australian Bandstand too, and probably many a stage show inbetween.
