Tidying out the old photos and came across a few you may find of interest. I have no info...has anyone? Know of course that it is Dougie and possibly Stuart???

I'm sure Dougie would love a copy of this Cas, he's not really changed an awful lot, especially when you look at this photo. I don't think I've ever seen it before.

I'd be interested to know more about the Echoes recordings.  
Does anyone have a list of their singles releases? Dusty did backing vocals on a couple didn't she?

Hi Clive

According to Paul Howes in his Gladys Thong Discography, Dusty sang back up the following Echoes singles.

Got To Run / Thanks a Lot 1966  
Searching For You Baby / Listen To Me Baby 1968

The Echoes also made singles before being Dusty's backing band, I can find the following singles listed, perhaps Duggie can confirm these titles.

Cloak and Dagger / Sounds Like Winter 1962  
The Happy Whistler / Sticks and Stones 1962  
The Jog / Marching Thru 1963  
My Little Girl / More 1964  
Don't You Believe Them / I'll Get Over You 1964

'Got To Run' is the best known single, you can definately hear Dusty singing and chinking the ashtray.

Duggie sent me a list of just about everything that the Echoes ever did, all I have to do is find where I've put it 🤔

Wasn't that the time the guys were picking you and Carole G up for a date?

Yeah, right Nancy, that happened all the time 😊

Here's Doug and Gary with me. I just noticed Gary had signed it on the back. Forty years on and I only just spotted that!

Yes, of course I did, I knew that really 😊 There are obviously moderator type things I'm allowed to do that I hadn't quite twigged. I could have fun here 😊

I finally came across that list from Dougie and Tom's list of Echoes recordings matches Duggies. They also backed Dusty on some recordings...

- Can I Get a Witness
- Middle of Nowhere
- Won't Be Long
- La Bamba
- If It Don't Work Out
- I Can't Hear You No More
- Packin' Up
- Little by Little
- Every Ounce of Strength
- Go Ahead On
- Take Me For a Little While
- Needle in a Haystack
- Heartbeat

One interesting Echoes fact - During the Jerry Lee Lewis tour in 1962, they were playing New Brighton, Liverpool, when their drummer left. A local drummer who had just returned from Hamburg was used, his name was Ringo Starr.
