A job well done, you can't spot the joins. It's a song that doesn't get enough praise really, when it's really quite lovely and heartfelt.

I'm sure I've got this from last year courtesy of the lovely Humboldt. This seems to be a follow up much more seamless version. I LOVE, LOVE IT!

I love Dusty singing in French. Ooohh my gossh! Tres, tres,

I love Humboldt too! Some of us might have received this earlier on this evening like I did. Oooh Man! These Dusty specials are so great! Thanks so much to Carole and John/Humboldt😊😊

Thanks for the link Carole.😊

I love the French version of this song....lot's of emotion in this song...I wish Dusty would have done more of her songs in French...its such a beautiful language

Also love all the other songs she has done in different languages...love that Continental Dusty set.

I'm with you on Continental Dusty Josh😊 I often take it on holiday with me, it came to San Remo and was the perfect choice to play in the car.

I never knew she ever sung a French version. Could Dusty speak the language fluently at all?

C'est magnifique! Merci beaucoup, Carole et Humboldt!

I could never understand why Paul Howes says that Dusty was "ill-advised" to sing a verse in French on *If You Go Away*. I think she sounds great *en Francais*.
