Does anyone have a copy of the article where Dusty was pictured on an exercise bike and they were calling her fat?

I know we've talked about it, but I dont ever remember seeing the photo.

Any help's much appreciated 😊

The photograph is an article from the 'News of the World' UK Sunday paper.

Carole may know when.

I think that somewhere, I do have a bad copy of the photo, but it's not flattering. If I find it, I'll make a decision on whether or not to post it!

Back in 66, the fan club bought Dusty an exercise bike as a birthday present. She loved it and one day around her birthday, I was loitering (as I did) in an alley next to the Casino Club in Bolton, hoping to catch Dusty arrive. I did, we talked a little, I congratulated her on her no.1 and her birthday and probably got the usual autograph. We then had to make way for Duggie to pass carrying the said bike!

It's one of the most unflattering pictures of Dusty I've ever seen.

Nice to hear she did have a a nice experience on such a bike years earlier.
