great artwork, folks! 😊 you're all so talented..

but alas, talent comes at a price - it seems it is accompanied by amnesia, as you've all forgotten the most incredible Dusty 'fan art' evah!!! yes, i'm talking about the infamous dinnerplate 🙄

just for the record, i didn't paint that 😊

For those who don't know, Bubbles is in fact Allee Willis, co-writer with the PSB's of What Have I Done to Deserve This. She has a really interesting website.

Hmmm, I just read something on the bowl that said that Allee was Bubbles' mentor.
