Tim's drawing is the biz

when Clare & i were in Topshop last month, the assistant asked me where i bought my badge - the one with the above drawing on - so i was proud to say that my friends made it

Hi everyone -

I'm new to the forum so I'm not sure if this particular version of the beehive pic has been posted here previously, but in case it hasn't ... Fraser sent the monochrome version of the picture to me ages ago and asked me to colour it, which I happily did, and this was the result.

Fraser told us about your coloring and posted the picture which we all enjoyed. I had some Dusty badges made up as fundraisers on Dusty Day, and you'll notice which one I gave to Fraser...just scroll down a bit on this page:

There's another pic of Fraser, with Pat from an earlier DD, even further down on the page.

Its strange you should mention the badge, because when we were emptying Fraser's flat the other day, we found that very badge - Heather has it now. There was also a fridge magnet which had the same image on it.

...old now, and perhaps replicated..

If you have a weak candidate and a weak platform, wrap yourself up in the American flag and talk about the Constitution.
