Ok well i am forced by Nancy to show you my final piece i did in Art at skool. 🤪 It's a Dusty piece obviously and i got it framed at the Framers.. wow where else would i get it framed?! Anyway, point of the story is that it cost \$200 to get framed lol but it was so worth it.. my Mum paid for it luckily lol...

Talk about PEER PRESSURE though from a certain person...!! 🤪

The photo is pretty bad coz i took it when it was just leaning against something in my lounge room so you can see the lights reflecting and you can even see me taking the photo lol..

Enjoy 😊 And i'll let you know what mark i got for it when i find out..

Clare xoxo

I think that's really amazing, Clare. I'm seriously impressed. When you get a chance take some more pics of it and tell us all the media you used.

I love the border and the graduating Dusty heads!!!

A+

Thanks Teacher, i thought i did a great job too 😊

Well it wasnt hard to make at all, i was lazy with it. I just printed off the album covers (but it was bloody hard to get them the same size!) and stuck them in order of release date mind you, on the border... then i sponged paint on the background. I had to wait for it to dry, how annoying, then i printed off different sizes of the Dusty heads coz that is my favourite picture of her. Yeah then i wanted to write Dusty how i did so i just chucked that in the corner and Bob's ya Uncle!

I'm just glad my mum paid to get it framed lol it deserves a frame. My lil tribute to Dusty 😍😄
