Scress - I like that one too. I'm aware that my tastes are a bit different, but I just love that costume. That's the one I think that John Peel said she looked like a mini cab driver in bacofoil. To which Dust replied "I'll wrap his car in bacofoil". So I guess she must have liked it too, or she would have agreed with him. I plan to do a great big one of that and put it on my wall, in your face John Peel.

My tastes are a bit different as well, Hampson. 😞

BUT that is OK. Glad someone else likes Dusty's look during that era.

Yes, I have always assumed that that outfit was the one that the bacofail comment was about.

RE: "So I guess she must have liked it too...."

Yes, I guess so. Speaking for myself-Maybe I like it because Dusty liked it...and I like Dusty. 😊 Good enough for Dusty, good enough for me, in other words. Besides this though, I DO like it. I think it was different from anything she attempted before and I think it was creative and cool.

I like your idea of a big version in your wall. Wonder if an email for John Peel couldnt be tracked down and a pic of it sent to him once hanging on your wall? 🍀

Unfortunately John Peel has also gone to that big litter tray in the sky.

Oh my goodness! Wendy - that portrait of Dusty with her hand to her head is absolutely amazing! In my opinion, the best you have done and I absolutely love it.
