That is so fantastic and generous of you, Will. I suggest you contact Wendy about what she thinks and to secure her permission and also Kathy about what might be useful to donate.

Thank you SO much! 😊

That's ok Nancy - Wills got my permission, I'd be more than happy to put them in Wills hands, and Kathy's and Tom's to do whatever they need to do.

Glad that's sorted, then :)

Well, ladies, I'm at your service.
Let me know whatever you want me to do.

Will, I think that we should keep the majority of the pictures for the calendar, but I think you have done such a good job on the Dusty in Memphis Cover (Pastel) that Wendy did for me, that it would look great as a print. You can get Canvas paper for inkjet printers now. Any chance of you trying one or two (A4 would be fine) of that portrait (ie the first one in your listing). When framed with a matt it would be larger anyway and I think it would make a great prize for our raffle.

If successful, then we could choose another for our next raffle later in the year. Does that sound ok?

There's more than a chance, Kathy :)
I'll get some canvas paper and see how it turns out. And I agree that a nicely mounted A4 would be lovely as a prize.
Will let you know how I get on :)

Oh I *really really* hope so. Heather wants us both to come down for it and one of her friends, the Amazonian Princess, says she wants to come with us too, She's really called Rosemary but I thought the new name suited her better lol and she is adorable.

That would be so fantastic if you were able to make it! And with Heather and the AP too !!
Just another reason for me to try to get it together.....

Will, thanks for experimenting with the Canvas paper. Hope it turns out well. 😊

And it will be a pleasure to meet you at DD if you manage to make it on the day. 😊
