My great aunt is making me a Dusty mirror. She made one for Mary Hopkin and sent it off to her. When Mary was being interviewed in her home we noticed it on the wall behind her. It's done by only painting a few features on the mirror - e.g. her hair, and eyes. But you can tell who it is. She won't have finished it until after Christmas and I will send a picture in as soon as I get it.

Matt.

Ok well i am forced by Nancy to show you my final piece i did in Art at skool. 😊 It's a Dusty piece obviously and i got it framed at the Framers.. wow where else would i get it framed?! Anyway, point of the story is that it cost \$200 to get framed lol but it was so worth it.. my Mum paid for it luckily lol...

Talk about PEER PRESSURE though from a certain person...!! 😊

The photo is pretty bad coz i took it when it was just leaning against something in my lounge room so you can see the lights reflecting and you can even see me taking the photo lol..

Enjoy 😊 And i'll let you know what mark i got for it when i find out..

Clare xoxo

Searching around on my computer, I came across this. I guess Lucy was trying to be arty with one of my Dusty posters 😊

PS. Nobody tell her I posted this 😊

I'm still waiting for my mirror - I will post a pic when I get it!

Any more fan art?

Matt.
