Wendy very kindly sent me the original portrait and I received it today. I mentioned to her that seeing her images on screen does not really compare to seeing the actual drawing, which is just magnificent.

I'd like to publicly say a big **THANKYOU** to Wendy - I'm thrilled more than I can say.

You're more than welcome Will - loved doing it for you. It was a pleasure. And thank you for all the work you put in on enhancing the drawings.

This one for Cas. Cas's favourite, and her avatar.

Oops Will - I managed a bit of enhancing - who's a clever little budgie then. Albeit it's not as good as yours I have to say.

Damn, Wendy, you've done it again! That's flat out gorgeous, and not an easy image to capture. You've done Dusty proud....again.

On the contrary, Wendy - your enhancement is every bit as good as mine. And your portrait here is STUNNING.. Cas is going to LOVE this :) I'm always astonished at the detail you capture in the hair; and in this image, the eyes are just incredible and very beautiful.

The more you draw, Wendy, the more I need to go in search of new superlatives ;)

That really is so lovely Wend thank you. I knew you were working on it, I never realised you'd finished it....what a lovely surprise. You have captured the eyes so well the whole look infact, you do improve all the time. You did really well with the enhancement too, clever you. 🍋

Thank you so much.

You are so talented Wendy, you've captured Dusty so well there, I think I like it best of any you've done.

Wendy that is an amazing likeness of Dusty--you have the eyes absolutely perfect. Well done. And I can't think of a more deserving person to receive such wonderful work than Cas, who has done so much in helping support the raffles and got Ms. P. to get of her butt and earn some money for our charities. Well done all round! 🍀😊
