Thank you Marty, Sara and Memphis for your very kind comments, they are very much appreciated. Of course Dusty is such a beautiful subject, I never get bored of drawing her, and she has so many iconic photos that I can always manage to find another one to inspire me.

There is a garden  
Something like the shadow of a butterfly  
And lies beyond the gates of dark and light  
And darling, it belongs to me

Wendy it deserves to have nothing done to it, really, other than a wee boost to the contrast. And then to sit and gaze at it and ponder on how lovely it really is. It's a an exquisite image and I am utterly charmed by it.
