One day, I hope to own a large format coffee table book of Wendy's art...

I'd pre-order that in a heartbeat, Will!

Let's pretend we're cats instead of people
and go roll around and scratch an old latch hook rug together.

That would be awesome Will
and with Michael's comment....ditto! 😊

I wonder has our dear Wendy ever thought about doing something like that??

Thank you Josh - kind of you to say so. I love you all, and I love doing pictures for you.

Although the next picture might be a little bit slower coming up, because I've got a splint on my hand, which has to stay there for at least 4 weeks. It won't stop me, but it will slow things down a little. It is the left hand so it is not too big a problem. It is just slowing down everything I have to do.

Love Wend

No I never ever thought of that Josh. I don't suppose there is anything to stop you running them off on a coloured printer and putting them in a folder though. That's about as far as I've got. I have been busy over the last few months tidying up and trying to improve/enhance the pictures on the forum, and I have run copies off and put them into clear plastic sleeves and into a ring folder.

Old age must suck hey Wendy... at least you don't look too old 😞 (covered myself quite nicely there i think....)

Can't wait to see the next one 🤔

SUCK yes it does, and I don't think you've covered yourself well enough there

Clarey, so unless you want me to take you to pieces next time we meet - start grovelling now, as I'm not coping with old age.

Luv from YOUR FRIEND - BIG HEAD

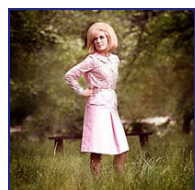

Oh and another thing Clarey - never make the mistake of thinking I'm growing old gracefully, I'm not. In fact, I'm in de Nile.

I like it Will. It's a good picture, it's got the essentials and it is obvious it's her isn't it. I think the neckline and the shoulders depict exactly the way she used to
