It's doing fine Bosseh.

I think I'm going ga ga today, we've got a channel called At The Races, and today I switched it on (as one does) and all I could see was All Her Faces - finally lost it.

That's truly lovely Wendy. You really do have a special talent....and hands are so difficult! Gorgeous.

Btw, that at the races channel gets me every time too!

Wow, Wendy! You keep impressing, and that's not easy with a girl like me LOL.  
I agree with the ladies above, the hands adn the eyes are especially lovely.  
that looks like a tough one to have drawn....was it? How long did it take you?

Thank you all - yes it was a difficult one Nancy - but only the hair again, it's always the hair. How long did it take, I think I've been doing this one about 3 weeks, but I've done two the same, the first one I wasn't entirely happy with the scarf or collar, so I decided to have another go as I felt I could do better - so that one will go on my wall, and this one is for the raffle as and when Kathy needs it. I've also done a black and white one in between too. So all in all the three of them have taken since my last drawing on 16 Sept, really because I nearly always start another one as soon as I've finished the last one. Otherwise it's difficult to get myself kickstarted. Keeps things flowing, otherwise I could go 20 years without doing anything. I have my methods LOL

A fine drawing Wendy...you have captured the 70's Dusty very well.

Hair is always difficult and your efforts are to be commended.
