I too am a fuss assing nit picking Virgo--do you think you teach me to draw?

I'm sure I could Bosseh - it's only patience, I think anyone can learn. But being a Virgo you should be artistic anyway - so you are halfway there.

But regarding the green for Dusty's eyes, I would say I've got about 15 green pencils, and not one of them is really the right shade, but that's as near as I can get.

Thank you all - yes it was a difficult one Nancy - but only the hair again, it's always the hair. How long did it take, I think I've been doing this one about 3 weeks, but I've done two the same, the first one I wasn't entirely happy with the scarf or collar, so I decided to have another go as I felt I could do better - so that one will go on my wall, and this one is for the raffle as and when Kathy needs it. I've also done a black and white one in between too. So all in all the three of them have taken since my last drawing on 16 Sept, really because I nearly always start another one as soon as I've finished the last one. Otherwise it's difficult to get myself kickstarted. Keeps things flowing, otherwise I could go 20 years without doing anything. I have my methods LOL

Where have I been that I didn't see this???? 🍷 Once again you have surpassed yourself Wendy and some lucky person is going to win this as the major prize in our next raffle, which, by the way, will be very soon. Due to various delays it will be a New Year's raffle and draw, but I'll be posting the prizes up soon so you can all have a look at them. The delay has meant that we have a really good selection of prizes. More news soon...

xx

This is just a quickie to wish all my LTD friends a Merry Xmas and a Happy New Year.

Love ya'll.

Had a bit of trouble reproducing this, but it's not meant to be too serious a picture - just a seasonal good will wish to you all.

Love Wend

Oh wow, Wend, one of my very favourites... thanks for doing it! And Merry Christmas to you, too, though it's still 3 weeks to go! 😊

A difficult one to capture this Wend. The hair looks lovely, hands are always so difficult to draw. I think Dusty looks sad in this one.
