That is just gorgeous, Wendy. I'll bet Will is totally thrilled!  
I think you have the khaki green of Dusty's eyes just right! Her eyes are sparkling and the mouth is beautiful. The beehive is of perfect height and form!

Well done, girl!!!!

Oh Wendy!!!! Believe me, THRILLED does not come nearly close enough - it's absolutely STUNNING! And I just love the catchlights in her eyes. Funnily enough, not ten minutes ago, I was looking at the monochrome one, which I have framed. How totally odd to come online and now see this magnificent and iconic image in blazing colour. I absolutely LOVE IT. I love all the paintings you do, as you know perfectly well, but this one excels them all. It's magnificent. Utterly magnificent. Wendy, I love you xxx
