I don't know if you can improve on the enhancement Will if you've got the time, I've had hells work trying and this is the best I can do.

I can send you a lighter version if it would help.

Love Wend

That really isn't one of my favourite Dusty pics Wendy, but you've made a crackin' job of it! Well done

I know what you're saying Carole - I hated that picture until I saw it with all the hair. It did make her look a bit like the devil, but when I saw the whole picture, I just fell for it. Because if you look at the photo, what is there to dislike really, her eyes are lovely, her lips are beautiful, and so is her nose, if you dissect every part of her face, it is beautiful individually and as a whole -so I think I was a bit brainwashed by not having the picture presented to me properly as a whole. That has now changed for me, and it's now a favourite - among the many of course.

Oh now that is seriously good, Wend!! Very accomplished portrait of La Diva Dusty, Eighties style. I love it. No surprise there :)
Gimme a little while and I'll see what I can do, tho it really just needs lightened a little. Very nice work!

Makes me wonder why we bother with pictures, having drawings like that... Thanks, Wend

Ok thank you my God.
That's freaking brilliant - in the words of Ms Clare.

It is a hard one to enhance, I've been trying for two days. But yes that's lovely Will as ever. Thanks for taking the trouble.

I'll probably put your version on my web site which I'm building - which is pretty amateurish up to yours Will, but I'm trying.
